Tunnelling Association of Canada

Association canadienne des tunnels

Undergraduate Tunnelling Scholarship

APPLICATION FORM

Each year the Tunnelling Association of Canada (TAC) awards a scholarship to an outstanding undergraduate student in the field of Geological or Civil Engineering who is studying at a Canadian University. The scholarship is intended to support undergraduate engineers who have a passion for tunnelling and further developing their skillset and career.

Candidates for the award will be evaluated based on the following criteria:

1. Demonstrated passion for tunnelling and interest in a career in the tunnelling industry
2. Membership and involvement in TAC
3. Involvement in volunteer work in the community and extracurricular activities
4. Enrolment at a Canadian University in either Civil or Geological Engineering

The scholarship includes a **cash prize of $2,000**, a one-year **TAC membership**, as well as full registration and attendance (including economy travel and accommodation) at the **TAC 2020 Toronto Conference and Awards Banquet**. Your photo will also be included in an issue of ***Tunnels and Tunnelling North America*** magazine!

To be considered, candidates must submit a completed application form (see next page) and attach any additional information related to the criteria noted above. Candidates must confirm they are Canadian citizens or landed immigrants with permanent resident status.

The deadline for applications is **May 15, 2020**. Applications are to be submitted by email to the TAC Scholarship Coordinator **scholarships@tunnelcanada.ca**. Applications received after the submission deadline may not be considered.

TAC reserves the right to reject any application and award the scholarship accordingly. Furthermore, TAC will not communicate with any applicant during the evaluation period.
