

Tunnelling Association of Canada
Association Canadienne des Tunnels

Z.D. (Dan) Eisenstein Memorial Scholarship

APPLICATION FORM

The Tunnelling Association of Canada (TAC) intends to award a scholarship in the memory of Professor Dan Eisenstein to a post-graduate student of Canadian citizenship planning to undertake or currently undertaking post-graduate studies in the field of tunnelling at a recognized university in Canada. The scholarship amount will be \$5000. In addition, TAC will provide full registration and attendance (including economy travel and accommodation) at the National Tunnelling Conference, to take place in Vancouver in October 2014. The deadline for the submission of applications is April 30, 2014. The recipient of the award will be notified by TAC by May 31, 2014. All applicants are required to submit their curriculum vitae, as well as information on extracurricular and community volunteer activities, along with this application form and send by email to the TAC Scholarship Coordinator at scholarships@tunnelcanada.ca before the application deadline. Applications received after the submission deadline will not be considered. TAC reserves the right to reject any application and award the scholarship accordingly. TAC will not provide any communication to any applicant during the evaluation period.
