**REQUEST FOR HISTORICAL PICTURES FOR PUBLICATION IN THE FORTHCOMING
TAC "COFFEE TABLE" BOOK TITLED
- CANADIAN TUNNELLING MEMORIES AND ACHIEVEMENTS -**

3rd May 2016

Dear Member/Corporate Member,

The Tunnelling Association of Canada recently announced that it will publish a unique hard cover "coffee table-style" publication to provide a pictorial account of all sectors of the Canadian Tunnelling industry, from the early drill and blast tunnels through to the modern high-tech mechanized tunnels of present day.

The objective of the publication is to provide an educational account of the development of the Canadian Tunnelling industry by means of detailed pictures. Each sector of our tunnelling industry will be represented by chapter forewords written by our own industry professionals. In addition, the publication will be peppered with insights and quotes from respected Canadian Tunnelling professionals and veterans. It has to be said that this is a once in a lifetime publication and many of the pictures will have never been viewed before in the public domain. Each copy of the book will be individually numbered and a copy of the book signed by the current TAC President will be gifted to all major universities throughout Canada. All members of TAC will receive a copy of the publication.

The publication of the book will be funded 50% by TAC; it is hoped/anticipated that the remaining 50% will be funded by donations from current Members/Corporate Members of TAC. All individual members and corporate members who generously provide a donation to the publication will be listed in the acknowledgements page. The following table details the numbers of signed books that will be provided to the donator pertinent to the amount donated:

DONATED AMOUNT	INDIVIDUAL MEMBER	CORPORATE MEMBER
\$500	1 - Signed Copy	
\$501 - \$1000	2 - Signed Copies	
\$1000 - \$2500		1 - Signed Copy
\$2501 - \$5000		2 - Signed Copies

Donations can be submitted directly to:

Tunnelling Association of Canada
8828 Pigott Road, Richmond, BC, V7A 2C4, Canada
Tel: +1 (604) 241 1297 Fax: + 1 (604) 241 1399
Email: admin@tunnelcanada.ca

The TAC committee assigned to the bring this project to the printing press sincerely hopes that the members of TAC will give generously; should there be any questions, kindly contact the undersigned.

Yours gratefully,
Seamus Tynan, P.Eng.
